

PASADENA JUNIOR RIFLE CLUB

Looking for a place to learn the safe handling of firearms? A safe environment to shoot? The **Pasadena Junior Rifle Club** is a non-profit, youth sports program for athletes between 10 and 21 years of age. The Club, founded in the early 1940's, is located in the Eaton Canyon area of Pasadena. The Club has taught many young people not only firearm safety but has provided training to many athletes who have continued on to become competitive shooters on state, national, and international levels. We fire only .22 caliber rifles. We provide an initial safety class and on-going instruction in the safe handling of firearms. Members can work toward qualifying for NRA 50 Foot awards and certificates with on-going instruction. We can provide firearms and all related equipment.

The club meets on Saturday mornings from 9:00 to 12:00.

If you have any questions, please contact Greg Thompson at 626/793-9402.

The Pasadena Jr. Rifle Club is located in a cul-de-sac on the east side of Eaton Canyon near the Pasadena Police range. The entrance to the club range is just beside the gas pumps for the City of Pasadena service vehicles.
